

2023 GORGE DAYS FESTIVAL

Presented by

North Bonneville Gorge Days Event Committee
July 7th through 9th, 2023

We are so excited to announce that the city of North Bonneville will be holding our annual Gorge Days Festival. The time where our "Gorge-ous" community comes together to provide fun, food, garage sales, vendor's market, local talent, live music, and more!!!

This year we do not have the tourism funding that we have had in past years and we are working with a small budget. This makes it more critical than ever to have sponsorship from surrounding community members and businesses in order to ensure we can continue to serve The Gorge with this memorable event! For our **2023 festival**, the **City Wide Garage Sale** will be in full swing for the treasure hunters on **Friday, Saturday** and some on **Sunday**. There will be a variety of vendors around the park all three days as well. On **Friday** night the North Bonneville Fire and Rescue Auxiliary will be hosting an evening event - more details to come later. **Saturday** will kick off with a car show along with activities and live music in the park throughout the afternoon and into the evening, with a variety of food vendors and a beer garden. **Sunday** will bring another Fire Auxiliary event and more local talent to be determined. Volunteers are already working hard to provide this all ages and interests event that will bring the community together and attract travelers year after year. In order to ensure time for us to include your name or business on the Gorge Days Website and receive your other sponsorship gifts, please respond no later than May 12th 2023.

Thank you in advance for your community support and sponsorship sincerely,

Deanna Syron
Event Manager
